Important Message Regarding Your Variable Annuity Contract!

Beginning on January 1, 2021, as permitted by regulations adopted by the Securities and Exchange Commission, paper copies of the shareholder reports for variable account options available under your Contract will no longer be sent by mail, unless you specifically request paper copies of the reports. Instead, the reports will be made available on a website, and you will be notified by mail each time a report is posted and provided with a website link to access the report. If you already elected to receive shareholder reports electronically, you will not be affected by this change and you need not take any action. You may elect to receive shareholder reports and other communications from VALIC electronically by contacting us at 1-800-448-2542 or logging into your account at VALIC Online at www.valic.com.

You may elect to receive all future reports in paper free of charge. You can inform VALIC that you wish to continue receiving paper copies of your shareholder reports by contacting 1-866-345-5954 or visiting FundReports.com and providing the 20-digit unique ID located above or below your mailing address. Your election to receive reports in paper will apply to all variable account options available under your Contract.

Dear Valued Contract owner:

You are the owner of an IMPACT variable annuity contract issued by The Variable Annuity Life Insurance Company ("VALIC"). VALIC no longer files a registration statement for this product and as a result does not prepare a product prospectus for your contract annually. However, as required pursuant to Securities and Exchange Commission regulations, you will continue to receive (i) current prospectuses for each of the funds offered in your Contract as investment options and (ii) financial statements for the life insurance company, the related separate account and the guarantor. Contracts issued on or before December 29, 2006, are guaranteed by American Home Assurance Company, an affiliate of the life insurance company. These documents may be mailed to you in separate packets. You may receive additional prospectuses at a later date. In addition, supplements to your Contract prospectus or Fund or Portfolio prospectuses may be included in this mailing.

Please be sure to read any prospectus supplements, fund prospectuses and financial statements enclosed. These documents contain valuable information concerning each fund and the life insurance company that can help you make informed decisions about your Contract.

Please retain the enclosed materials for future reference. We thank you for the privilege of serving you now and in the years to come.
